While Coach is head women's tennis coach, Coach shall have the opportunity to earn income from outside the University as a result of her position on the terms and conditions set forth herein.

a. The following general terms and conditions shall apply whenever Coach wishes to earn outside income related to her expertise, experience, or occupation as a head women's tennis coach: (i) Any outside activities shall not interfere with the full, complete, and satisfactory performance of Coach's duties and obligations as a University employee, recognizing always that her primary obligations lie with the University; (ii) In no event shall Coach knowingly accept or receive directly or indirectly any monies, benefit, or any other gratuity whatsoever from any person, corporation, University booster club or alumni association or other benefactor if such action would violate NCAA or PAC-12 Conference legislation or the constitution, bylaws, rules and regulations, or their interpretations in effect at the time, and changes of such legislation, constitution, bylaws, rules and regulations or interpretations automatically apply to this Agreement without the necessity of written modification; (iii) Coach shall disclose to, and obtain the advance written approval of the athletic director before entering into agreements for outside income or in-kind or financial benefits. Subject to other terms of this Agreement, such approval shall not be unreasonably withheld as to arrangements not directly related to coaching responsibilities, information and activities. Except as required by the Athletic Department, Coach shall not endorse or be a spokesperson or celebrity personality for goods or services manufactured, sold or provided by persons or entities other than those with which University has contracted, without prior written approval of University. Such approval shall not be unreasonably withheld.

b. Coach may earn additional compensation as a result of her responsibilities operating University's tennis youth summer camps. Camp operation is subject to all the rules and procedures outlined in the Athletic Department's Procedural Manual and University policy. The opportunity to operate a camp or or using University facilities is exclusively available to Coach only while she is serving as head women's tennis coach. University shall have no responsibility or liability for loss of camp income resulting from termination of this Agreement. University does not guarantee any minimal camp-related income. Income shall be determined consistent with Department procedures and practices.

c. Any income produced by outside activities is independent of this Agreement, and University shall have no responsibility or liability for any loss of such outside income resulting from termination of this Agreement or from the reassignment of Coach, regardless of Coach's expectations based on past history or representations and regardless of whether either party could have foreseen or contemplated such a loss upon termination or reassignment or whether such a loss resulted directly or indirectly from the termination or reassignment.

d. Coach shall not earn outside income from pre-game, post-game or coach's show, "highlights" and other television and radio show broadcasts. Except for spontaneous, live courtside interviews consistent with any restrictions arising out of any University media rights holder agreement, Coach shall not provide any such services, commentary or performance relating to University of Oregon women's tennis except as consistent with any University media rights holder agreement unless approved by the Athletic Department.

e. The Athletic Department reserves the right to deal directly with manufacturers, importers, or distributors of athletic shoes, apparel or equipment, and to negotiate and contract for usage and endorsement of their products. Coach shall not enter into any such contracts.

f. Coach shall provide, as and when directed by the University, a detailed accounting in writing of all income and benefits from all sources outside the University.

5. Performance Evaluations

5.1 The deputy athletic director will evaluate Coach's performance of her job duties and responsibilities annually on the same basis as performance evaluations are done for other employees of Coach's classification. These evaluations may take into account prior evaluations and the expectations and goals set for Coach in such prior evaluations.

5.2 As part of the evaluation process, win-loss record, post-season appearance performance (if any), recruiting success, compliance with University, Presidential, and NCAA policies, standards, directives, rules and regulations, student-athlete academic progress, student-athlete development, and fund-raising success shall be taken into account and evaluated against comparably situated and funded Division I intercollegiate athletics programs.

5.3 If Coach has a complaint regarding the terms and conditions of Coach's employment, Coach can report that complaint to the deputy athletic director as appropriate. If that report relates to prohibited discrimination, Coach always retains the option make a report to the Office of Affirmative Action and Equal Opportunity or the Title IX Coordinator or to seek assistance from those offices, consistent with UO policy relating to prohibited discrimination and state and federal law. Except as stated in this section

5, Coach has no other rights relating to performance evaluations or internal grievance or complaints processes.

6. Termination without Cause

6.1 Termination due to Death or Disability.

a. This Agreement shall terminate upon Coach's death. This Agreement shall also terminate upon Coach's total disability (within the meaning of University's disability insurance for employees of Coach's classification or within the meaning of Oregon Public Employees Retirement System (PERS) regulations or federal Social Security Administration Regulations).

b. If this Agreement is terminated pursuant to this section because of Coach's death, Coach's compensation and all other benefits shall terminate as of the calendar month in which death occurs, except that her estate or other designated beneficiary shall be paid all such death benefits, if any, as may be contained in any benefit plan now in force or hereafter adopted by University and due to Coach pursuant to that plan. Coach's dependents' continued eligibility for benefits shall be in accordance with the standard eligibility of dependents of Officers of Administration at the University. In addition, University shall pay to Coach's estate any compensation already fully earned but not yet payable under this Agreement.

c. If this Agreement is terminated because Coach becomes totally disabled, Coach shall continue to receive the Guaranteed Salary and any other standard University fringe benefits provided for under this Agreement until such time as Coach becomes eligible for (even if subsequently paid retroactively) total disability benefits from PERS, Social Security, or a private or group insurer (cumulatively disability benefits), whichever first occurs. At the time Coach becomes eligible for disability benefits, if any, all compensation and other University fringe benefits shall terminate. Coach has an obligation to make diligent efforts to apply for disability benefits. If Coach fails to make diligent efforts to apply for disability benefits, the university's obligations under this Section 6.1 shall be discharged.

6.2 Termination by University (not for cause)

a. The University shall have the right to terminate this Agreement at any time for any or no reason. Such termination shall be effectuated by delivering to Coach written notice of University's intent to terminate this Agreement without cause and shall be effective upon delivery to the Coach or upon the date stated in the letter, whichever is later (Termination Date). University shall not be obligated to state a reason for termination of Coach without cause. If University exercises its right under this Section 6.2, Coach shall only be entitled to payments, damages or compensation as provided for in Section 6.2.b below. This means that in no event will the University be obligated to pay Coach any amount in excess of the amount provided for in Section 6.2(b).

b. If University terminates this Agreement under this Section 6.2, University shall pay to Coach, as liquidated damages, the following:

Coach's Guaranteed Salary on the Termination Date multiplied by the number of years remaining in this agreement. Partial years shall be prorated by multiplying Guaranteed Salary on the Termination Date by $X/365$, where X is the number of days remaining in the current fiscal year at the time of termination.

c. University's obligation under Section 6.2.b shall not accrue interest (so long as not in arrears) and shall be paid on a monthly basis over the balance of the scheduled Term of this Agreement. University's obligations shall be subject to Coach's duty to mitigate, as set forth in Section 6.2.e. Failure to pay timely such liquidated damages shall constitute a breach of this Agreement and such sum shall be recoverable, in any state court of competent jurisdiction in the State of Oregon. Notwithstanding the foregoing, Coach is required to give the university reasonable notice of the breach (no less than ten days) and an opportunity to cure prior to initiating a lawsuit against the University. After the Termination Date, Coach will not be entitled to any other employee benefits except as otherwise provided in this section 6.2 or required by applicable law. This means that Coach must return all UO property (including any assigned Courtesy Car) to the university by the Termination Date. In no case shall University be liable for the loss of any collateral business opportunities or any other benefits (including unemployment compensation), or perquisites, or income resulting from activities such as but not limited to, camps, clinics, media appearances, broadcast talent fees, apparel, equipment or shoe contracts, consulting relationships, or from any other (inside-the-University or outside-the-University) sources that may ensue as a result of University's termination of this Agreement under this Section 6.2.

d. Coach and University have bargained for and agreed to the foregoing liquidated damages provisions, giving consideration to the fact that termination of this Agreement by University under this Section 6.2 may precipitate or lead to Coach's loss of certain salary, benefits, supplemental compensation or other economic advantages or income related to her employment at the University, which damages are extremely difficult to determine fairly, adequately, or with certainty. The parties further agree that the payment of such liquidated damages by University shall constitute sufficient, adequate and reasonable compensation to Coach for any loss, damages or injury Coach suffers because of such termination by University. The foregoing shall not be, nor be construed to be, a penalty. The provisions of this Section 6.2 shall be without prejudice to any other right (excluding unemployment compensation) Coach may have under applicable law. Coach acknowledges that state and federal taxes must be withheld and paid on liquidated damages as required by law.

e. If University terminates this Agreement under this Section 6.2, Coach agrees to mitigate University's obligations to pay liquidated damages under Section 6.2.b by making reasonable, good faith, and diligent efforts to obtain Comparable Employment, such as a coaching position (not necessarily as a

head coach) or a senior athletic administrative position (such as athletic director or associate athletic director position) at a college or university or with a professional team as soon as reasonably possible after termination of this Agreement. Should Coach obtain any employment, including, but not limited to, such Comparable Employment, ("New Employment") University's financial obligations under this Agreement, including Section 6.2.b, shall cease if Coach's Monthly Compensation (defined as 1/12th of Coach's annual compensation, inclusive of all bonuses and any form of monetary compensation, including any payments into special programs, including special insurance vehicles or corporations or trusts, but excluding usual and customary non-monetary fringe benefits such as health and life insurance, club memberships and use of vehicles), is equal to or greater than University's obligation to pay liquidated damages under Section 6.2.b, prorated on a monthly basis. If Coach's Monthly Compensation, from New Employment is less than University's monthly obligation to pay liquidated damages under Section 6.2.b, the amount of University's obligation to pay liquidated damages shall be reduced on a monthly basis by the greater of: a) the amount of Coach's Monthly Compensation from such New Employment or, in the event University reasonably determines that the amount of such Monthly Compensation is not within an acceptable range of compensation amounts pursuant to the anticipated results of an arms-length negotiation between Coach and a new employer when then-existing and relevant marketplace factors are applied, or b) the median Monthly Compensation, as determined from publically available sources, of incumbents in equivalent coaching or senior athletic administrative positions in, as relevant, the NCAA Division, collegiate athletics' conference, or professional sports league in which Coach has obtained Comparable Employment or any other employment. In no event, will the University's then-current obligation to pay Coach liquidated damages increase if Coach resigns from New Employment or is otherwise terminated from New Employment. In the event Coach is separated from New Employment, Coach continues to have the mitigation obligations set forth above. Coach shall promptly inform University of changes in her employment status (including monthly salary and type and value of fringe benefits that are included in the calculation of Coach's compensation) for purposes of the implementation of this Section 6.2.e. Coach agrees to provide University with a copy of any employment agreement relevant to Coach's obligations stated above, as well as other information necessary to establish compliance with this mitigation obligation including, upon request, information relating to income Coach has received in a manner that did not generate a form W-2 or 1099. Should Coach fail to produce evidence of engaging in good faith efforts to obtain employment within a reasonable time (not to exceed thirty days) following University's request for such documentation or should such documents indicate that Coach is not fulfilling Coach's mitigation obligations outlined in this section, University's obligations to pay liquidated damages under Section 6.2.b shall cease.

6.3 Termination by Coach

a. Coach recognizes that her promise to work for the University for the entire Term of this Agreement is of essence to this Agreement. Coach also recognizes that the University is making a highly valuable investment in her continued employment by entering into this Agreement and that its investment would be lost were she to resign or otherwise terminate her employment with the University prior to the expiration of the Term of this Agreement. In recognition of these facts, the parties agree that

Coach's decision to terminate this Agreement prior to its expiration will be subjected to the following terms and conditions.

b. If Coach wishes to pursue other employment opportunities, Coach is required to provide Athletic Director with written or verbal notice prior to meeting with representatives from another entity to discuss such employment opportunities. If Coach terminates this Agreement during its Term, she must notify Athletic Director in writing. While Coach is assigned to the position of head women's tennis coach, such termination by Coach must occur at a time other than during the women's tennis season (including post-season), unless both parties mutually agree otherwise. However, so long as the termination occurs other than during the women's tennis season, nothing limits Coach's ability to provide notice at any time. If Coach gives notice prior to the completion of regular and, if relevant, post-season play, University may require Coach to continue her coaching and other responsibilities, or University may reassign Coach until the completion of all play. Simultaneously with such notice, Coach shall inform University in writing of her employment plans following the termination of her employment with University. Coach shall be deemed to have resigned her employment and terminated this agreement, as provided for in section 6.3, if Coach does not perform her duties for more than 30 days and such absence is unexcused, meaning that she did not obtain consent from the university prior to taking leave and the absence is not attributable to a medical emergency or other situation that prevented the Coach from informing the university of her absence. The University will determine whether a situation is one that prevents the Coach from informing it of her absence. If Coach resigns under Section 6.3, the University shall have no further financial obligation to Coach beyond the effective date of Coach's resignation.

7. Termination for Cause and Discipline

7.1 Coach may be disciplined as determined by the athletic director for: (i) any reason for which an Officer of Administration may be disciplined; ii) for a material violation of any constitution, bylaw, interpretation, rule, regulation, or policy of the NCAA and PAC-12, policy, standard or directive of the University or the President; or (iii) any material violation of local, state or federal law or a material breach of this Agreement. Discipline under this provision may be in addition to discipline imposed by the NCAA or the PAC-12 conference. Depending on the violation, the athletic director may provide an opportunity for Coach to remediate or may impose a reprimand, assess a fine (of a day's pay or more), suspend (with or without pay) or, consistent with Section 7.2, terminate Coach. Coach shall cooperate fully with any University personnel in the course of any investigation of illegal or prohibited behavior on the part of students, boosters, employees, administrators, volunteers, or agents of the University.

7.2 University shall have the right to terminate this Agreement for cause prior to its expiration. Coach waives any procedural rights she may have under UO policy or the law except those contained

in this Agreement. If University is considering termination for cause, Coach shall be notified of the grounds and shall have the opportunity to present a statement of denial, explanation or excuse before such termination is finalized.

a. "Cause" shall include in addition to its normally understood meaning in employment agreements and in University Policy: (i) A deliberate and serious violation of the duties outlined in this Agreement or refusal or unwillingness to perform such duties in good faith and to the best of Coach's abilities; (ii) Conduct resulting in a conviction for violation of any criminal statute involving moral turpitude or a state or federal felony crime; (iii) A serious violation of any law, rule, regulation, constitutional provision, bylaw, or interpretation of the PAC-12 Conference or the NCAA, which may, in the sole good faith judgment of University, reflect or impact materially and adversely upon University or its athletic program or which may result in University being placed on probation by the PAC-12 Conference or the NCAA, including any violation which may have occurred during prior employment at University or another NCAA member institution, either by Coach or by a member of the coaching staff or any other person Coach supervises or directs; (iv) Absence from duty of 60 continuous days (except due to illness documented by a licensed physician) or 60 business days in any twelve (12) month period (except due to illness documented by a licensed physician) without the athletic director's consent (which shall not be unreasonably withheld); (v) a serious violation of any University or Presidential policy, standard or directive; (vi) Failure to prevent misconduct by student-athletes that results in harm to others in circumstances where the Coach could have prevented the misconduct and failed to take reasonable action to do so; or (vii) misconduct, as that term is defined in the OA Corrective Discipline Procedure. .

b. If this Agreement is terminated for cause, all obligations of University to make further payments or to provide any other consideration to Coach shall cease as of the end of the month in which such termination occurs. If the agreement is terminated for cause, the University shall not be liable to Coach for any compensation, damages or the loss of any collateral business opportunities or any other benefits, perquisites or income whether from University or other sources.

8. Miscellaneous

8.1 This Agreement will be governed and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. In no event shall any part of this Agreement be construed as a waiver of sovereign and governmental immunities or limits of liability enforceable in the courts of the State of Oregon.

8.2 The captions or headings in this Agreement are for convenience only and in no way define, limit, or describe the scope or intent of any provisions of this Agreement.

8.3 The parties agree that if any term or provision of this Agreement is declared by a court of

competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the parties agree to attempt to substitute for any illegal, invalid, or unenforceable provision a valid or enforceable one, which achieves the economic, legal and commercial objectives of the invalid or unenforceable provision to the greatest extent possible.

8.4 No waiver, consent, modification, or change of any term of this Agreement shall bind either party unless the same is in writing and signed by both parties and all necessary approvals have been obtained. Such express waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose set forth in such signed writing. Failure of either party to enforce any provision of this Agreement shall not constitute a waiver of the right to future enforcement of that or any other provision.

8.5 This Agreement may be executed in counterparts, and via facsimile or electronically transmitted signature (i.e. emailed scanned true and correct copy of the signed Agreement), each of which will be considered an original and all of which together will constitute one and the same agreement. At the request of a party, the other party will confirm facsimile or electronically transmitted signature page by delivering an original signature page to the requesting party.

8.6 This Agreement may be publicly disclosed in its entirety.

8.7 Coach's position as head women's tennis coach is not tenure-related and has no academic rank.

8.8 This Agreement, together with all incorporated documents and exhibits attached hereto and referenced herein, constitutes the entire agreement between the parties with respect to the subject matter hereof and merges all prior and contemporaneous communications with respect to such subject matter. Accordingly, because this Agreement covers the terms and conditions of Coach's employment, Coach is not subject to those OA policies and procedures that cover the same subject matters covered by this agreement, including OA policies and procedures relating to time off (sick and vacation), separations, discipline or grievances. However, Coach is subject to those university policies expressly incorporated in this agreement and those university policies that concern subject matters not covered by this agreement. For example, Coach is subject to the University's policies prohibiting discrimination and requiring the reporting of prohibited discrimination, the University's policies requiring the report of fraud and abuse and the university policies covering minors on campus programs. This Agreement shall not be modified except by a signed writing dated subsequent to the date of this Agreement and signed by Coach and on behalf of University by its duly authorized representative. The parties hereby acknowledge and agree that this Agreement has been negotiated by the parties and their respective counsel and shall be interpreted fairly in accordance with its terms and without any strict construction in favor of or against either party.

8.9 All notices, claims, requests, demands and other communications hereunder shall be made in

writing and shall be deemed given if delivered to the Coach or to the Athletic Director in-person or if delivered by either one of the following two methods: (i) mailed (registered or certified mail, postage prepaid, return receipt requested); or (ii) e-mailed to the person's official University e-mail address (read receipt requested). Generally, notices shall be delivered to the following persons simultaneously. However, if in-person delivery is used, the copy will be mailed or e-mailed within a reasonable time thereafter.
